Cheddar Bay Biscuits

written by The Recipe Exchange | September 22, 2014

Ingredients

2 cups of Bisquick Baking mix 1/2 cup cold milk 3/4 cup of shredded Sharp Cheddar cheese 1 teaspoon of dried parsley 1/2 teaspoon of garlic powder 1/4 cup of butter 1/2 teaspoon of Italian seasoning Pinch of salt

Directions

Heat oven to 450. Combine mix, water and cheese in bowl. Drop heaping tablespoons of mix onto a cookie sheet sprayed with cooking spray. Bake for 8-10 minutes! Melt butter and spices mix well. Once the biscuits are out of the oven, brush on the butter mixture.
