

# Mango Salsa

written by The Recipe Exchange | May 11, 2015

## **Ingredients**

1 large mango (chopped into small pieces)  
1 green capsicum (diced)  
1 red capsicum (diced)  
1 small onion (diced)  
 $\frac{1}{2}$  cup chopped coriander  
3 chilis chopped finely  
Juice of 1 lime  
Salt to taste

## **Directions**

Mix all the ingredients together.

Be careful not to mash the mango pieces; they must retain their shape.

Keep in the fridge for at least 30 minutes before serving.
