

Strawberry-jalapeno Salsa

written by The Recipe Exchange | June 29, 2015

Ingredients

15-20 strawberries, hulled and chopped into a very small, even dice
1/3 medium red onion, finely minced
handful of cilantro, well rinsed and finely chopped
1 Jalapeño pepper, finely minced, seeds and all. (leave the seeds out for less heat)
juice of 1 lime
fresh cracked black pepper

Directions

Mix everything in a bowl. Taste the salsa and adjust any of the ingredients to your taste.
Chill until ready to serve.
