Bakery Frosting

written by The Recipe Exchange | August 3, 2017

Ingredients

2 cups shortening
1□2 cup non-dairy powdered coffee creamer
1□2 teaspoon almond extract
1□4-1□2 teaspoon vanilla
1 (32 ounce) package confectioners' sugar, sifted
1□2-3□4 cup water
food coloring of choice (optional)

Directions

In a large mixing bowl beat the shortening creamer and extracts.

Gradually beat in the confectioners sugar.

Add in enough water (starting with almost 1/2 cup) until frosting reaches desired consistency.

Add in food coloring until the desired shade is achieved.
